In the event of any contradictions or conflict between the GENERAL CONDITIONS and the SPECIAL CONDITIONS the order of precedence shall be as follows:
 (1) SPECIAL CONDITIONS
 (2) GENERAL CONDITIONS.
- 2.2 Standard terms and conditions of the SELLER or any other terms and conditions specified by the SELLER shall not apply to the PURCHASE ORDER (notwithstanding if the SELLER'S terms and conditions are provided later than the GENERAL CONDITIONS and any SPECIAL CONDITIONS), unless expressly accepted in writing by PURCHASER. Reference to the SELLER'S documents shall have no bearing on the terms and conditions of the CONTRACT, unless specifically agreed to in writing by PURCHASER. All correspondence and documents shall be in the English language.
- 2.3 The SELLER shall be deemed to have satisfied itself, before entering into its obligations under the CONTRACT, as to the extent and nature of the work and the correctness and accuracy of all documents and technical information provided by the PURCHASER and all other matters which could affect the performance of the CONTRACT.
- 2.4 Time is of the essence for the performance of the CONTRACT.
- 2.5 Any information supplied by the PURCHASER is the property of the PURCHASER and will not be used by the SELLER for any purpose other than performance of the CONTRACT.
- 3. SUPPLY OF GOODS**
- 3.1 The SELLER shall deliver the goods on the date stipulated in the PURCHASE ORDER for the delivery of the GOODS. SELLER agrees that it will use diligent efforts to perform in a timely and diligent manner. Without prejudice to the SELLER's obligation to deliver the GOODS on the delivery date specified in the PURCHASE ORDER, the SELLER shall give the PURCHASER or its authorised representative, notice in writing, immediately if any delay is foreseen.
- 3.2 Delivery terms shall be in accordance with the latest edition of "Incoterms" issued by the International Chamber of Commerce in Paris, France. In the event of any conflict with these and any of the terms and conditions of the CONTRACT the latter shall take precedence.
- 3.3 Delivery of the GOODS will only be accepted if accompanied by a copy of the PURCHASE ORDER plus all other deliverables as specified in the PURCHASE ORDER.
- 3.4 Partial item deliveries are not acceptable unless agreed in writing with the PURCHASER and such acceptance by PURCHASER shall not discharge the SELLER's obligation to deliver the GOODS on time.
- 3.5 The SELLER warrants and represents that the GOODS shall be new, of good quality and workmanship, free from errors or defects and shall be fit for the purpose for which the GOODS are generally intended and/or for which the PURCHASER has informed the SELLER, or the SELLER has represented they are intended. The GOODS shall comply in all respects with the specifications given in the PURCHASE ORDER and with any sample provided to the PURCHASER, and if the GOODS are sold by description they shall comply with that description.
- 3.6 If there is any failure to meet the warranty set out at article 3.5, (other than arising from fair wear or tear or disregard of the SELLER's written operating instructions) which (a) appears within eighteen (18) months from the date of delivery, or within twelve (12) months after the GOODS have been put into commercial operation following satisfactory completion of the commissioning and testing programme, if any, whichever occurs first, (WARRANTY PERIOD) or b) results from a cause reported to or discussed with the SELLER during the period described in subclause (a) without prejudice to the PURCHASER'S right to reject the GOODS and/or terminate the CONTRACT, the SELLER shall, on written notification from the PURCHASER of any

defect that appears during the WARRANTY PERIOD, forthwith repair or rectify any of the GOODS (or any replacement) which are defective to the satisfaction of the PURCHASER at the SELLER's own expense. Such repair or rectification shall include but not be limited to replacement of any part or the whole of the GOODS at the SELLER'S sole cost or, if agreeable to the PURCHASER an appropriate reduction in the price of the GOODS. The WARRANTY PERIOD shall be extended by any period equal to the period, which the GOODS have been out of operation or putting them into operation has been delayed as a result of a failure to which the warranty applied. In the event that GOODS are so replaced under warranty this article 3.6 will apply to such replaced goods.

- 3.7 The SELLER retains risk of loss of and damage to the GOODS until delivery is complete in accordance with the applicable Incoterm specified in the PURCHASE ORDER, otherwise when PURCHASER takes physical possession of the GOODS.
- 3.8 Title to the GOODS will pass to the PURCHASER at the earlier of (a) risk of loss of and damage to the GOODS passing to the PURCHASER; or (b) as PURCHASER makes payment for the GOODS.
- 3.9 Apart from any additional instructions in the PURCHASE ORDER on packing, marking and shipping, SELLER will ensure the GOODS shall always be packed, marked and shipped in such a way as to prevent damage during transport to their final destination and accurately described, classified, marked and labelled, in accordance with the CONTRACT and APPLICABLE LAWS. The total weight in kilograms (kg), shall be clearly marked on each and every individual packaged material being supplied against the PURCHASE ORDER. The same information shall be indicated in the delivery note against each item. In addition, all packages with a gross weight of one hundred kilograms (100kg) or more shall have the gross weight, dimensions, lifting points and centre of gravity stencilled on the side of the package. The country of origin and manufacturer of the GOODS shall be stated on all delivery documentation.
- 3.10 The SELLER is solely responsible for ensuring that the GOODS comply in all respects with the PURCHASE ORDER and are of good quality and workmanship, and for this purpose the SELLER shall adopt adequate procedures to ensure proper quality assurance. Notwithstanding the SELLER'S sole responsibility, the SELLER shall, if requested, submit its quality control plan, incorporating PURCHASE ORDER quality requirements, to the PURCHASER for review.
- 3.11 The SELLER shall exercise full and adequate control, which includes the inspection and testing of the GOODS during manufacture, construction or assembly.
- 3.12 In addition to the quality control of the SELLER, the PURCHASER may specify in the PURCHASE ORDER, or advise the SELLER subsequently, whether the GOODS are also subject to INSPECTION by an INSPECTOR. The result of such INSPECTION shall not relieve the SELLER of any obligations or liabilities under the PURCHASE ORDER. If, following an INSPECTION, the Purchaser considers that the GOODS do not comply or are unlikely to comply with the SELLER's undertakings in this article 3, the PURCHASER shall inform the SELLER and the SELLER shall immediately take such remedial action as is necessary to ensure compliance.

4. SUPPLY OF SERVICES

CONTRACT; (ii) fit for use for any purpose specified in the CONTRACT; and (iii) free from any defect or deficiency.

- 4.2 SELLER's warranty for SERVICES applies to all defects arising within 12 months of provision of the relevant SERVICES. If the SELLER has supplied SERVICES that do not comply with the requirements of Article 4.1, the PURCHASER shall have one or more of the following rights and remedies: (a) to terminate the CONTRACT with immediate effect by giving written notice to the PURCHASER; (b) to require the SELLER to reperform the SERVICES, or to provide a full refund of the price paid for the SERVICES; (c) to refuse to accept any subsequent performance of the SERVICES which the SELLER attempts to make.; (d) to recover from the SELLER any expenditure incurred by the PURCHASER in obtaining substitute services from a third party; and (e) to claim damages for any additional costs, loss or expenses incurred by the PURCHASER arising from the SELLER's failure to comply with Article 4.1
- 4.3 SELLER will supply SERVICES diligently, efficiently, and carefully, in a good and professional manner, and in accordance with best practice in the SELLER's industry, profession or trade.
- 4.4 SELLER will furnish all skills, labour, supervision, equipment, goods, materials, supplies, transport and storage required for provision of SERVICES.
- 4.5 SELLER will obtain and at all times maintain all licences and consents which may be required for the provision of SERVICES.
- 4.6 SELLER will observe all health and safety rules and regulations and any other security requirements that apply at any of the PURCHASER's premises.
- 4.7 SELLER will hold all PURCHASER MATERIALS in safe custody at its own risk, maintain the PURCHASER MATERIALS in good condition until returned to the PURCHASER, and not dispose or use the PURCHASER MATERIALS other than in accordance with the PURCHASER'S written instructions or authorisation.
- 4.8 SELLER shall not do or omit to do anything which may cause the PURCHASER to lose any licence, authority, consent or permission upon which it relies for the purposes of conducting its business, and the SELLER acknowledges that the PURCHASER may rely or act on the SERVICES.
- 4.9 In providing any SERVICES, SELLER will only use SELLER PERSONNEL who are properly permitted, qualified, suitably trained, competent, skilled, and experienced in accordance with best practice in the SELLER's industry, profession or trade and as required by the CONTRACT.

5. CHARGES AND PAYMENT

- 5.2 In respect of GOODS, SELLER shall invoice PURCHASER on or at any time after completion of delivery. In respect of SERVICES, the SELLER shall invoice the PURCHASER on completion of the SERVICES. Invoices will only be accepted if accompanied by a copy of the PURCHASE ORDER and any variations which may have been issued by PURCHASER. To the extent that payments to be made under the CONTRACT attract value added tax or other sales tax, the proper amount of such tax shall be shown as a separate item on the invoice.
- 5.3 In consideration of the supply of GOODS and/or SERVICES by the SELLER, the PURCHASER shall pay any undisputed invoiced amounts within 45 days of the date a correctly

rendered invoice is received by the PURCHASER from the SELLER. If PURCHASER disputes an invoice, PURCHASER may withhold payment of any disputed part of an invoice and pay only the undisputed part. PURCHASER may at any time, without notice to the SELLER, set off any liability of the SELLER to the PURCHASER against any liability of the PURCHASER to the SELLER, whether either liability is present or future, liquidated or unliquidated, and whether or not either liability arises under the CONTRACT. Any exercise by the PURCHASER of its rights under this Article shall not limit or affect any other rights or remedies available to it under the CONTRACT or otherwise.

6. LIQUIDATED DAMAGES

Where any liquidated damages are set out in the CONTRACT, and are applicable, all amounts are agreed as genuine pre-estimates of the losses that may be sustained by failure of performance and are not a penalty.

7. TAXES

7.1 All TAXES charged to or levied or imposed on the SELLER whether of the PURCHASERS country or otherwise in connection with the performance of the CONTRACT by the SELLER, or any work in connection therewith, shall be for the account of and be borne by the SELLER. The SELLER shall INDEMNIFY the PURCHASER against all TAXES charged to or levied or imposed on the PURCHASER which, in accordance with this article, are for the SELLER's account.

7.2 It shall be the SELLER's responsibility to investigate and establish its liability for all TAXES which may be applicable to or be levied in connection with the performance of the CONTRACT or any work in connection therewith.

7.3 PURCHASER may withhold and pay over to the relevant authorities TAXES from any payment that would otherwise be made by PURCHASER to SELLER to the extent that the withholding may be required by APPLICABLE LAWS. PURCHASER will provide SELLER with tax receipts or other proof of payment for any TAXES withheld within 60 days after payment. Where the requirements for any withholding are avoided by SELLER holding a valid exemption certificate, the SELLER shall inform the PURCHASER on a timely basis of the certificate and provide copies of the certificate or further information that may be required to avoid the withholding.

8. INDEMNITY ARRANGEMENTS

8.1 Where the CONTRACT relates to the supply of (i) GOODS or (ii) the supply of SERVICES at premises not owned or operated by the PURCHASER, liability for loss of and damage to property and for personal injury, death or disease to any PERSON, arising in connection with the CONTRACT, will be determined in accordance with APPLICABLE LAW.

8.2 Where SERVICES are being carried out at premises owned or operated by the PURCHASER, (i) the SELLER shall be responsible for and shall INDEMNIFY the PURCHASER GROUP from and against all LIABILITIES in respect of:

(a) Loss of or damage to property of the SELLER GROUP whether owned, hired, leased or otherwise provided by the SELLER GROUP arising from or relating to the performance of the CONTRACT; and

(b) Personal injury including death or disease to any person employed by the SELLER GROUP arising from or relating to the performance of the CONTRACT;

(c) Personal injury including death or disease or loss of or damage to the property of any third party to the extent that any such injury, loss or damage is caused by the negligence or breach of duty (whether statutory or otherwise) of the SELLER GROUP arising from or relating to the performance

(b) Personal injury including death or disease to any person employed by the PURCHASER GROUP arising from or relating to the performance of the CONTRACT; and (c)

Personal injury including death or disease or loss or damage to the property of any third party to the extent that such injury, loss or damage is caused by the negligence or breach of duty (whether statutory or otherwise) of the PURCHASER GROUP arising from or relating to the performance of the CONTRACT. For the purposes of this Clause "third party" shall mean any party, which is not a member of the SELLER GROUP or the PURCHASER GROUP.

8.3 All exclusions and indemnities given under this article shall (save for those under articles 8.1(c), 8.2(c) and article 8.4) apply irrespective of cause and notwithstanding the negligence or breach of duty (whether statutory or otherwise) of the indemnified party or any other entity or party and shall apply irrespective of any claim in court, under contract or otherwise at law.

8.4 Except to the extent of any agreed liquidated damages or other amounts that become payable under the express terms of the CONTRACT, the PURCHASER GROUP shall INDEMNIFY the SELLER GROUP from the PURCHASER's GROUP own CONSEQUENTIAL LOSS and the SELLER GROUP shall INDEMNIFY the PURCHASER GROUP from the SELLER'S GROUP own CONSEQUENTIAL LOSS.

9. INSURANCE BY SELLER

9.1 The SELLER shall maintain levels of insurance customary for its industry to cover its LIABILITIES which may arise under or in connection with the CONTRACT and as required by APPLICABLE LAWS and ensure that the policies of insurance remain in full force and effect throughout the term of the CONTRACT. All such policies of insurance shall be placed with reputable and substantial insurers.

9.2 The SELLER shall supply the PURCHASER with evidence of such current policies of insurance on demand.

9.3 The SELLER shall ensure that SUB SUPPLIERS are insured to appropriate level as may be relevant to their work in connection with the CONTRACT.

10. VARIATIONS

The PURCHASER reserves the right at any time to make variations to the CONTRACT. The SELLER shall only act upon such variations, which have been communicated by the PURCHASER'S nominated representative. If such variations cause an increase or decrease in the purchase price or an alteration in the date of delivery, the SELLER shall so advise the PURCHASER and shall give an estimate of the purchase price and/or date of delivery adjustment. Any claim by the SELLER for adjustment of the purchase price or date of delivery shall be intimated in writing to the PURCHASER within a period of twenty (20) calendar days from the date on which such variation was advised or could reasonably have been identified by the SELLER. Notwithstanding the foregoing, the PURCHASER shall not be under any obligation to accept any claim so intimated in writing and within the said period.

11. INTELLECTUAL PROPERTY

- 11.1 The CONTRACT does not grant SELLER GROUP any rights, title or interest in or to PURCHASER GROUP's IP RIGHTS, other than those set out in the CONTRACT. IP RIGHTS created by modifications, amendments, enhancements, or improvements to PURCHASER GROUP's IP RIGHTS, or made using PURCHASER GROUP's CONFIDENTIAL INFORMATION, will vest with PURCHASER or its nominee when created.

- 11.3 SELLER, warranting that it is entitled to do so, grants to PURCHASER GROUP the irrevocable, non-exclusive, perpetual, worldwide, royalty-free right and licence, with the right to grant sub-licences, to possess, and use any of SELLER's IP RIGHTS to the extent required for the PURCHASER's ongoing enjoyment or use of the GOODS or the product of the SERVICES (including the right to import, export, operate, sell maintain and repair or replace). SELLER warrants that such possession or use of GOODS, SERVICES or of SELLER's IP RIGHTS will not infringe the IP RIGHTS of any third party. SELLER shall save, defend, and hold harmless the PURCHASER GROUP from all claims, losses, damages, costs (including legal costs), expenses and liabilities of every kind and nature for, or arising out of, any alleged infringement of any IP RIGHTS of any third party arising out of or in connection with the performance of the obligations of the SELLER under the performance of the CONTRACT.

12. FORCE MAJEURE

Neither the SELLER nor the PURCHASER shall be liable for any failure to fulfil any term or condition of the CONTRACT if fulfilment has been delayed, interfered with or prevented by any event which is beyond the control of the party concerned, and was not reasonably foreseeable (a force majeure occurrence), provided however, that the respective party is not already in default of those obligations under the CONTRACT of which the performance is being delayed, interfered with or prevented. In the event of a force majeure occurrence, the party whose performance of the CONTRACT is affected shall notify the other party as soon as is reasonably practicable, giving the full relevant particulars and shall use its best efforts to remedy the situation immediately. Either party may terminate the CONTRACT if the force majeure occurrence subsists for a continuous period of more than three months. Labour disputes, strikes and industrial disputes of a non-national or regional level affecting employees of the affected party or its SUB-SUPPLIERS shall not be construed as force majeure occurrences.

13. LICENCES AND PERMITS

The SELLER shall obtain all licences, permits, temporary permits, authorisations or consents, which are required by the country of PURCHASER and any other country for performance of the CONTRACT and the sale of the GOODS shall be conditional upon such licences permits, temporary permits, authorisations or consents being available timely, except to the extent that same can only legally be obtained by the PURCHASER.

14. CONFIDENTIALITY/PUBLICITY

The SELLER shall not disclose by way of press release or otherwise, to any third party the CONTRACT and any CONFIDENTIAL INFORMATION of the PURCHASER, without the prior written consent to such disclosure of the PURCHASER, except insofar and to the extent as is necessary for the supply of information to SUB SUPPLIERS, or the obtaining of any necessary licences, permits or consents. Before disclosing CONFIDENTIAL INFORMATION of the PURCHASER to PURCHASER-permitted third parties the SELLER shall obtain confidentiality undertakings from such permitted third parties, which are not less stringent than the confidentiality obligations imposed on the SELLER under this article 14.

15. TERMINATION

- 15.1 In the event of the SELLER'S or any member of SELLER GROUP's non-compliance with the terms and conditions of the CONTRACT or in the event that the SELLER is subject to an INSOLVENCY EVENT prior to completion of delivery of all the GOODS and/or SERVICES in accordance with the CONTRACT, the PURCHASER shall have the right to terminate the CONTRACT forthwith and to claim damages and to have relevant GOODS or any part thereof returned to the SELLER and the ownership therein re-transferred to the SELLER.
- 15.2 The PURCHASER may at any time and at its absolute discretion by written notice to the SELLER terminate forthwith the CONTRACT for convenience. In the event of such termination the SELLER shall accept, in full and final settlement of all claims under the CONTRACT and at law, such a sum as shall reasonably compensate the SELLER for all work performed or costs reasonably and necessarily incurred and obligations assumed by it and any SUB SUPPLIER, in performance of the CONTRACT prior to the date of termination and for all work reasonably performed by giving effect to such termination. If any of the GOODS have been paid for, prior to termination or upon settlement of claims under the CONTRACT, the PURCHASER may at its option take possession of the GOODS or cause title therein to be re-transferred to the SELLER and notify the SELLER to collect the GOODS as may be reasonably instructed by the PURCHASER. In the latter event the value of the GOODS to the SELLER shall be taken into account when calculating the settlement sum but such sum shall in no event exceed the CONTRACT PRICE unless otherwise agreed.
- 15.3 In the event of a termination in accordance with article 15.1 or 15.2 above the SELLER shall immediately:
- Cease performance of the CONTRACT or such part thereof as may be specified in the notice.
 - Allow the PURCHASER or its nominee full right of access to the SELLER'S premises to remove all or any of the PURCHASER'S property (free Issue or otherwise) and in order to do so use such of the SELLER's equipment as may be necessary. The PURCHASER shall have the right to obtain completion of the CONTRACT or the relevant part of the CONTRACT by any third parties.
 - Assign to the PURCHASER or its nominee to the extent desired by the PURCHASER all or the relevant part of the rights, titles, liabilities and subcontracts relating to the CONTRACT which the SELLER may have acquired or entered into.
 - Promptly deliver to the PURCHASER all design data, design standards, drawings, specifications, requisitions, calculations, other documents and computer software prepared under the CONTRACT up to the date of termination.

16. LIENS

The SELLER shall not claim any LIEN in connection with the GOODS and/or SERVICES and shall INDEMNIFY the PURCHASER GROUP against all LIENS claimed by the SELLER GROUP or any third parties.

17. RIGHT TO AUDIT
